Frequently Asked Questions

Can I bring more than 8 children?

Of course, we charge \$10 for each additional child and can accommodate groups of up to 50 children.

Can I bring my own food?

Yes, you can bring your own food but you cannot bring any food into the centre that may contain nuts, including tree nuts because we are a nut free facility. If you bring your own food you will not have any access to a microwave, oven, or fridge. However we can store your cake in our fridge until it is time to serve, unfortunately our freezer is not large enough to accommodate a very large cake so if you are planning on an ice cream cake it will need to be smaller than a slab cake.

Do you provide food?

We can provide food items. Our menu includes pizza, veggie trays, fruit trays, hot dogs and other snacks.

Can I bring in balloons?

Yes, but you must ensure they are secured to a balloon weight and if any pop they need to be disposed of immediately as they can pose a choking threat to smaller children. No balloons are allowed in the gym at any time.

What if I want a longer party than 1 ½ hours?

You can purchase additional party time in 30 minute increments. The cost is \$50 per half hour. You can also purchase additional time for your party set-up if needed. Each event gets 15 minutes prior to their party for set-up. (Plus, a party host to help too!)

My child really wanted a Barbie party. Is this an option?

Of course, we offer many different themes which you can select from under the Theme and Packages' sections. With enough notice we can accommodate pretty much any theme of your choice.
